PROJECTS AND FREELANCE

WEB PORTFOLIO DEVELOPMENT

Freelance

- 🔗 • [Deanna Teaching Portfolio Present](#) - Vue.js and Tailwind Css
- 🔗 • [Ben Shroeder Poetry January 2023-](#) Next.Js and Tailwind Css

WEB APPLICATIONS

Projects

- 🔗 • [Freelance Code Marketplace](#) March 2023 - Next.js and MySQL
 - 2 sprints of 2 weeks
- 🔗 • [Zero Waste Marketplace](#) February 2023 - Next.js, Tailwind Css, Express.js, MySQL
 - 2 sprints of 2 weeks

FEATURE EXTENSIONS

Projects

- 🔗 • [PayPulp Payment Gateway Prototype](#) March 2023 - React.js, PostgreSQL, SASS
 - 2 week sprint
- 🔗 • [SecondLife Marketplace App](#) February 2023- React.js, CSS, Express.js, MySQL
 - 1 week sprint

EDUCATION

Full Stack Web Development
@ CodeOp 2023

550 hours of technical training

- Front-end: HTML, CSS, JavaScript, React, Next.js, Vue.js
- Back-end: Node.js, Express, API REST, Advanced Data Structures
- Databases: MySQL
- Testing: TDD
- Methodologies: SCRUM (Agile)

Temple University
B.S.Ed.
2014-2017
Summa Cum Laude
GPA 4.0

OTHER WORK EXPERIENCE

First Grade Teacher and English Language Teacher

Lighthouse American School (2020-2023)
Colegio Sagrado Corazon(2019-2020)
More Experience in Education (2013-2019)

Exhibited strong **communication skills, adaptability, and attention to detail.** Skilled in **planning and organization**, able to **manage** a classroom with limited resources while creating lesson plans and tracking student progress in both English and Spanish. Able to transfer these skills to coding, with the ability to communicate effectively with team members and clients, adapt to technical challenges, and prioritize tasks for effective project management.
